

## IPG MEDICAL CORPORATION TERMS AND CONDITIONS OF PURCHASE

1. **ACCEPTANCE:** An IPG Medical Corporation (“IPG”) purchase order (“PO”) constitutes IPG’s offer to purchase the products (“Products”) and/or services (“Services”) described thereon (collectively, “Deliverables”) from supplier of such products and/or services (“Seller”) in accordance with (i) the following terms and conditions and (ii) any additional terms and conditions printed on the face of the PO that do not conflict with such following terms (collectively “the Agreement”). All other terms and conditions which are contained in Seller’s sales quotation, order acknowledgment, acceptance or any other Seller documents (collectively, “Seller’s Documents”) are hereby expressly rejected and superseded by the Agreement, and failure by IPG to object to any provisions in Seller’s Documents shall not be deemed acceptance thereof, nor a waiver of any terms of the Agreement. Seller shall be deemed to accept the Agreement upon the earlier of (i) acceptance or acknowledgement of the PO whether orally, in writing or otherwise or (ii) commencement of performance of Seller’s obligations under the Agreement. The Agreement may only be amended or superseded by an express written agreement signed by a duly authorized representative of IPG.

2. **DELIVERY AND PRICING:** Time is of the essence, and deliveries shall be made both in quantities and at times specified in IPG’s PO. All prices shown on the face of this order are DDP at destination specified in PO [INCOTERMS 2010], unless otherwise specified on the face of the PO, and are the entire remuneration for the Deliverables purchased hereunder. Risk of loss and title shall pass to IPG upon receipt of Products at IPG’s facility, unless stated otherwise on the face of the PO. All sales, use, excise or similar taxes to be paid by IPG must be itemized separately on invoices. Due date for undisputed invoices shall be net 30 days after the latest of (i) receipt of correct invoice, (ii) acceptance of conforming Product or (iii) satisfactory completion of Services, unless stated otherwise on the face of the PO. IPG may adjust invoiced amounts for errors, shortages and defects. IPG may withhold payment pending receipt of evidence, in such form and detail as IPG may direct, of the absence of any liens, encumbrances and claims on the goods or services under the Agreement.

3. **PRICE WARRANTY:** Seller warrants that the prices specified herein for the Deliverables are not less favorable than those currently extended by Seller to its other customers buying the same or similar goods or services in equal or similar quantities under similar circumstances. If, before delivery of the Deliverables, Seller reduces the prices for like goods or services to one or more of its customers in a status comparable to IPG, the price specified in this PO shall likewise be reduced. Seller grants to IPG access to all pertinent information, including, but not limited to, books, records, payroll data, receipts, correspondence and other documents for the purpose of auditing Seller’s charges under the Agreement. Seller will preserve these documents for a period of 1 year after the final payment under the Agreement. In addition, all work, materials, inventories and other items provided under the Agreement must be accessible to IPG, including, but not limited to, parts, tools, fixtures, gauges and models. Seller will segregate its records and otherwise cooperate with IPG to facilitate the audit.

4. **PACKAGING AND SHIPPING:** Unless instructed otherwise, Seller shall (i) ship the material covered by the PO complete; (ii) ship in accordance with the instructions appearing on the face of the PO and not prior to the requested date; and (iii) place the PO number on all packaging and shipping documents. Each delivered container must be labeled to identify content without opening and packages must contain packing sheets listing contents. Seller shall provide suitable protective packing to permit safe transportation and handling at no additional charge and shall bear full responsibility for damage due to improper packing or shipping of the Products. Damage to any items resulting from improper packaging will be charged to Seller.

Where IPG discovers defective or non-conforming Products, including errors in quantity, IPG, at its option, and without waiving its other legal remedies: (i) may refuse delivery of or return Products for refund, credit, repair or replacement at Seller’s expense, or (ii) obtain a reasonable price reduction. If Seller delivers a quantity of Products less than specified in the applicable PO, IPG may cancel the PO in respect of the undelivered quantity without any liability to IPG whatsoever. Seller will comply with applicable quality, safety and regulatory requirements and with good commercial practice and applicable law. Seller shall maintain a quality system in compliance with all applicable laws and regulations and acceptable to IPG to assure the highest quality and reliability of the Products and the overall effectiveness of risk assessment and mitigation of Product failures. Seller shall allow IPG, either directly or through an agent, to audit the quality systems and verify compliance with this Agreement from time to time upon written notice to Seller. Seller shall retain records relating to this Agreement for a period of seven (7) years or any regulatory requirements from the date of the termination or expiration of this PO, whichever is longer.

6. **NOTICE OF REGULATORY ACTIONS:** Seller must notify IPG if the Seller receives a warning letter or notice of any action from the United States Food and Drug Administration (FDA). Warning letters and other administrative action may adversely affect IPG’s ability to import purchased Products into the United States. Seller shall be responsible for payment of any incidental and consequential expenses incurred by IPG as a result of Seller’s noncompliance with applicable FDA regulations.

7. **CHANGES:** IPG reserves the right at any time to make changes in quantity, time or place of delivery, specifications, drawings, Product description, methods of shipment or packaging of any items, or cancel or suspend a PO without Seller’s consent (collectively, “Change”). In such event, IPG and Seller shall negotiate a reasonable compensation amount, provided that IPG shall not have any liability or obligation for any cancellation or suspension made ten days or more prior to the scheduled delivery date. Notwithstanding any provision to the contrary herein or in any other document issued by either party unless such document is signed by both parties and specifically refers to this Section 6 of these terms and conditions, in the event IPG places a blanket PO for scheduled multiple release deliveries, IPG shall only be obligated to take receipt of up to three months of scheduled deliveries from the date of the PO, and IPG reserves the right to cancel the balance of the scheduled deliveries beyond the initial three months at any time and for any reason without financial impact. Any claim for adjustment in price shall be deemed waived unless made within ten days in writing. Nothing contained in this clause shall relieve the Seller from proceeding without delay in the performance of a PO as Changed. Seller shall not, without IPG’s prior written consent, purchase inventory or manufacture in advance of Seller’s normal flow time or deliver in advance of schedule as designated by IPG.

8. **LATE DELIVERY:** Seller shall notify IPG by written communication to [purchasing.ipgmd@ipgphotonics.com](mailto:purchasing.ipgmd@ipgphotonics.com) as soon as it becomes aware that it cannot meet the delivery date specified on the face of a PO and shall propose a new delivery date. In the event of such delay, at no additional cost to IPG, Seller shall employ accelerated measures such as material expediting fees, premium transportation costs or labor overtime to ensure the Products are delivered on or before the stated delivery date. In the event a delay in delivery or the new delivery date proposed by Seller is not acceptable to IPG, in addition to any other rights and remedies that may be available to it at law, IPG may cancel the PO without any liability whatsoever to IPG.
